

Summer Fun at the Catty Library!

Grades K-12

“Imagine Your Story”

July 7th Tuesday at 2pm- Imagine Your Story? Definitely! And while you’re doing that, how about “Imagine Your Garden!” Plant flowers that you choose in a pot to take home and care for during the Summer. You pick what you want to plant! Rain Date: July 14th

July 21st Tuesday at 2pm- Imagine Your Story? Absolutely! Have a great time participating in a “Choose Your Own Adventure” story lead by Children’s Librarian Karen Maurer. Karen will get the story started and you all continue it with anything you think could happen while “I was walking down the street one day when...” Rain Date: July 28th

Both programs take place in front of the Library on 3rd Street, part of which will be closed off. Social distancing will be no problem, but children must wear masks. Both programs are a whole lot of fun, equally for children and teens. There will be refreshments for everyone on July 21st! Registration not required, but feel free to call to tell us you’re planning to come for Summer Fun at the Catty Library!
