Job Hunting? Try this resume builder.

Searching for a new job?

Use this mobile-friendly tool to build your resume. The easy fill-in-the-blank process allows you to add your information (contact information, experience, education, etc.) and leads to a finished resume in PDF format that you can save or email.

A promotional graphic for a resume builder. On the left, a magnifying glass with a red handle is focused on the word 'resume' in a large, bold, red font. Surrounding 'resume' are various resume-related terms in a smaller, black, sans-serif font: 'experience', 'activities', 'objective', 'education', 'references', 'contact info', 'positions', 'abilities', 'skills', and 'awards'. The background is a dark blue gradient. In the top right corner, there is a logo for 'POWER LIBRARY PENNSYLVANIA'S ELECTRONIC LIBRARY' with a yellow lightning bolt icon. To the right of the magnifying glass, the text 'Create a Resume' is written in a large, bold, red font. Below this, there are three bullet points, each preceded by a white checkmark: 'It's mobile-friendly', 'Easy fill-in-the-blank', and 'Results in a finished resume in PDF format that you can save or email'.

A promotional graphic for a small engine repair reference center. The background is a close-up photograph of a red lawnmower tire on green grass. Overlaid on the left side is a semi-transparent white rectangular box. Inside the box, the text 'Time for a tune-up?' is written in a large, bold, yellow font. Below this, in a smaller black font, is the text: 'Find detailed repair guides for all types of small engines, including mowers & trimmers, ATVs, motorcycles & much more. All you need is your library card.' At the bottom left of the box is a logo consisting of a white wrench and screwdriver icon inside a dark grey circle. To the right of the icon, the text 'Small Engine Repair' is written in a bold black font, with 'Reference Center' in a smaller font below it.
